

Fig.1

Fig. 2

FIG. 3 is a schematic diagram of a system 30 for determining a position of a point in a space. The system 30 includes a set of sensors 32, 34, 36, 38, 310, 312, 314, 316, and a processor 318. The sensors 32, 34, 36, 38, 310, 312, 314, 316 are arranged in a grid pattern. The processor 318 is connected to the sensors 32, 34, 36, 38, 310, 312, 314, 316. The system 30 is used to determine a position of a point in a space.
